LIVE WHERE
LIFE CONNECTS

Welcome to the next chapter of Al Ghadeer. Located between Abu Dhabi and Dubai, Al Ghadeer Parks is a community where connection doesn't need an occasion.

Where golden evenings unfold on the lawn, games stretch past sunset, and open spaces belong to every generation.

THE BEST OF BOTH WORLDS

Al Ghadeer is a nature-inspired community set within Seih Al Sedeirah, one of the UAE's most strategically positioned masterplans.

Located precisely between Abu Dhabi and Dubai, with Al Maktoum International Airport minutes away and Expo City on its doorstep, Seih Al Sedeirah places you at the centre of everything, without pulling you in any single direction.

Within it, Al Ghadeer takes shape across manicured parks, feature lakes, and tree-lined pathways. A community designed around everything residents need to live well.

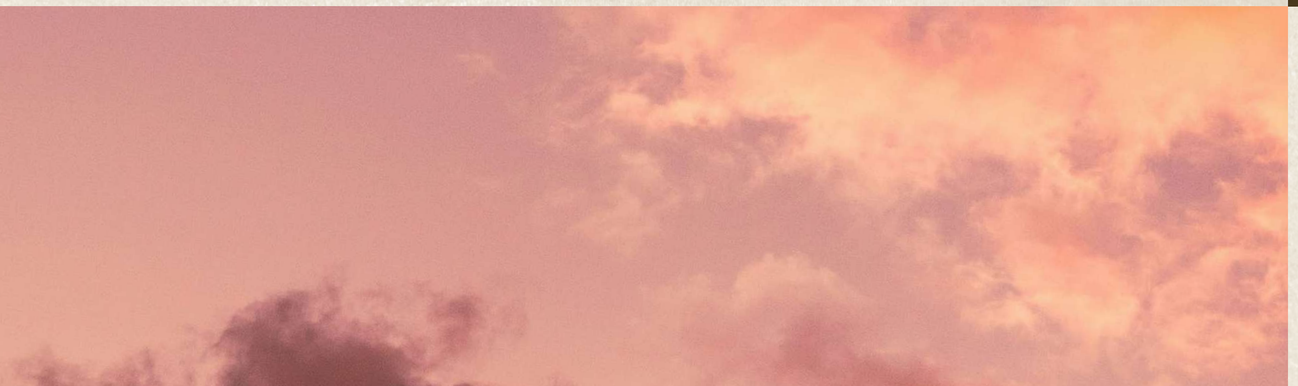

WHERE GROWTH IS HEADED

Seih Al Sedeirah sits at the precise point where two of the world's most dynamic cities are growing towards each other.

As Dubai's southward expansion accelerates, anchored by the transformation of Al Maktoum International Airport into the world's largest, the corridor between the two emirates is fast becoming one of the most strategically significant addresses in the region.

With Aldar’s continued investment in the masterplan and successive phases of Al Ghadeer selling out ahead of each new launch, the case has already been made. A masterplan at this stage of its story, with foundations this strong, doesn’t come along often.

THE NEXT CHAPTER OF AL GHADEER

A community of 2- and 3-bedroom townhouses and 4-bedroom villas, Al Ghadeer Parks is where the golden hours belong to everyone and conversations that begin on an ordinary evening last well beyond it. A place where a sense of connection begins from the very first day.

Step outside and the spaces open up around you. Wide, green, and warm with the last light of the day. The parks fill up by late afternoon, neighbours linger longer than they planned, and there's always a reason to take the long way home.

WHERE CURIOUS MINDS FIND THEIR STRIDE

Close to home, Al Ghadeer British School sits within the wider Al Ghadeer community. Part of Aldar Education, it completes the vision that shaped Al Ghadeer Parks.

STREETS THAT PRIORITISE PEDESTRIANS

Designed to prioritise pedestrians, every pathway has been planned to encourage movement and the kind of daily connection that turns neighbours into a community.

FROM NEIGHBOURS TO COMMUNITY

SOAKED IN FUN

The splash pad brings endless hours of water play, giving children a space to cool down, let loose, and simply enjoy being outside.

EVERY DAY IS GAME DAY

Built for the competitive, the casual, and everyone in between.
The multi-sports area gives you every reason to stay active,
right on your doorstep.

FOR THE MOMENTS THAT BRING US TOGETHER

Whether it is a community movie night, a weekend celebration,
or an impromptu gathering that needs no invitation,
the Events Lawn is where the neighbourhood shows up together.

LAUGHTER ECHOES ACROSS THE NEIGHBOURHOOD

From the first light of morning to the last stretch of evening, children's laughter fills the air. This is a space where children can play freely, grow confidently, and be completely, joyfully themselves.
